

# Gardening in Southern Alberta

**April 13, 2:30 pm**

Learn how to make the best of our short growing season by using the correct additives, fertilizers, and plant care to keep all of your plants happy and healthy!

This is a videoconference program aimed at adults and hosted in-person by the Irricana & Rural Municipal Library. There are no costs associated with this program.

Presented by Tracy-Lynn Jarratt, avid local gardener
