

# Seeds!

## Start Gardening from the Beginning

While it is fun to shop the garden centres for ready to go plants the world of seeds from catalogues to in the ground is a whole other experience. Then there is the whole other world of propagating from seed!

Janet Melrose, Calgary's Cottage Gardener, will be talking soil and seeds as we learn about: seed catalogues; some different techniques of seeding and growing on your seedlings; tips & tricks and pitfalls to avoid; And then how to give your new plants a successful launch come the growing season.

Wednesday, April 4  
6:30pm – 8pm
